Overview

This 3 Days Zanzibar Stone Town tour is a compact cultural and coastal package for travellers who want to experience the historic side of Zanzibar without needing a long beach holiday. The itinerary combines a guided Stone Town walking tour, a spice farm visit, and an island or sandbank excursion in a simple 3 days / 2 nights plan. Stone Town gives travellers a close look at Zanzibar’s Swahili, Arab, Indian, and European influences through its narrow streets, old buildings, markets, carved doors, and waterfront atmosphere. The spice farm experience adds context to Zanzibar’s identity as a spice island, with opportunities to see, smell, and taste tropical spices and fruits. This package works well as a short standalone Zanzibar tour or as a beach-and-culture extension after a Tanzania safari or Mount Kilimanjaro climb. Fidelity Safaris can customise the accommodation level, excursion choice, and transfer timing based on arrival and departure plans.
